NO. 2258-2/46. Ac. dated 12th March 1947

Sir,

Sub: Water Supply Investigation - Mangalore Municipality -
Investigation of Hassamur & Gurpur Services - Estimated
for Rs.7,150/- Revision - Requested :

Ref: Chief Engineer's Emtd. No. 3509-WPH/46-C.P., dated
18th February 1946, communicating G.O No. M.S. 375 P.H.
dated 7th February 1946

In the estimate for Rs.7,150/- sanctioned in the G.O quoted
above, provision was made towards the pay of supervisor and bering
mechanic at the then existing rates of Rs.152/- and Rs.61/- per
month respectively. But in G.O No. M.S. 164 P.H, dated 16th Jan. '46

P.T.O.

the Government enhanced these rates to Rs.190/- and Rs.265/- respectively from 31st January 1945. Further they have also ordered that the dearness allowan or war allowance paid will have also to be recovered. Consequently the expenditure on this investigation has exceeded the estimate for Rs.7,150/-. I enclose herewith a comparative statement and request that sanction of Government may kindly be obtained for the re-revised estimate of Rs.7,960/-. In anticipation of sanction I am addressing the Municipal Council to arrange to remit the additional contribution of Rs.800/-
